In the past God spoke to our forefathers through the prophets at many times and in various ways, but in these last days He has spoken to us by His Son, whom he appointed heir of all things, and through whom He made the universe.

Our Ministry Staff

A Word from the Pastor...

Churches are fluid. People come and people go. Keeping up with these changes can be a daunting thing at best. This new version of our church directory is an attempt to keep up with those changes and to keep in touch with our church family. The Lord has been good to our church family. Thank you for your participation in the 2011 version of our directory. May the Lord continue to expand our boundaries and ministries and our witness. As you look over the directory begin praying for each family by name. What a wonderful church family we have.
