**It's easy to tithe and give
your offerings online!**

Your tithes, offerings, and donations to College Street Baptist can now be made online. Tithing and donating have never been easier. It's quick, easy and secure and you can use debit or credit or check cards, or checking account. Just go to our website at www.collegestreetbaptist.org for further information and instructions.

Online giving is not replacing any of the traditional ways we already give, but is an additional option to those who prefer to make their donations by computer, cell phone or other mobile devices. College Street is using a church donation system provided by the Easy Tithe corporation. *EasyTithe* is church specific and is currently used by hundreds of churches across the nation.

You can make a regularly scheduled contribution or you can specify recurring donations. You can specify whether the contribution should go to the general budget or to designated categories. A credit card (MasterCard, Visa, or Discover) or a debit card can be used as well as a regular checking account. The process is secure and confidential and you will have continual access to your giving records.

WOMEN'S WORLD DAY OF PRAYER

Tuesday, November 6, 2018 - 11:00 a.m.—7:00 p.m.

Manned tables will be set up for prayer needs world wide. There will also be an area for prayer time. You may come by any time alone or with a group. You may stay as long as you would like. Refreshments will be served. This event will be held at the Beavertown Baptist Association Building in Seneca, SC.

SAMARITAN'S PURSE INFORMATION

We will be delivering the Samaritan's Purse shoeboxes on November 18, 2018. Please bring your boxes to church by November 11, 2018. Shoeboxes are available along with how to pack the box and prayer card at the bottom of packing instructions and items **not** to be included in boxes. For more suggestions, go to samaritanspurse.org. Remember the \$9.00 contribution; this is an increase.

If you are doing your own box, place donated items to be packed by October 28, 2018. This can include **small** toys, soap in containers, toothbrush (no toothpaste), combs, brushes, handkerchiefs, socks, Kleenex (small packs), school supplies (remember: paper, pads, books, etc. have to fit in the box).

Boxes are a little improved but everything needs to fit so box closes, no bulging. Two rubber bands around box is good. No strings or ties or decorations on the box.

Remember the \$9.00 donation in envelope on packing information. This goes inside the box; do not tape to outside. These are doing major traveling, money on outside, not good! You may also choose to pay online if preferred.

I begin with "I can't believe it's almost October". "Fall Celebration", "Thanksgiving" and "Christmas" activities are just around the corner. Ho, Ho, Ho!

- Ken Reid, Pastor

As the seasons turn from summer to fall, changes are in the air. The new 5th year emphasis of MARK has led the way as all our programs have now resumed. Thanks to all those who volunteer in a variety of ways to reach, teach, win and develop our children and youth into "Kingdom Disciples" at CSBC.

Congratulations to the following new Deacon Leadership for 2018-19. Blease Harper – Chairman, Bob Barker – Vice Chairman, and Donovan Pope – Secretary. The Ad-hoc Personnel Committee consists of Blease Harper (chairman), Allan Addis (immediate past chairman), Tim Merrell and Paul Tichenor.

The Nominating Committee Report will be available this Sunday for everyone to receive. We will vote to approve this report in two weeks. Budget planning for 2019 has already begun.

The Church Council meets this Sunday for a very important Fall Kickoff planning meeting which includes things like the October Fest booth, the Fall Celebration, Youth and Children Ministry initiatives, etc. If you wonder who attends the Church Council, all church-wide leadership and anyone interested in knowing what we do and helping get it done.

Handbells have resumed on Sunday afternoon and the first Passion Play 2019 rehearsal was held on last Wednesday.

Join me on Sunday evenings at 5:00 for an adult study and discussion of "Kingdom Discipleship" through a video session led by Tony Evans.

It's a great time to be part of what the Lord is doing at CSBC. Keep all this and our church in your daily prayers.

Student Ministries

- Lauren Beddingfield, Student Ministry Director

Hello CSBC!

I'm happy to report that all of our youth and children's fall events have kicked off! MARK Club resumed on September 9th and we have had over 30 children each week! We are so thankful for the support of our church and awesome volunteers! Be sure to look in the newsletter for upcoming events for our children and youth!

Thank you to all who have selected children and youth to pray for this school year! I know they appreciate your prayers and any encouragement you send their way. I know for a fact that the kids love to get mail! If you would like any additional contact information for your students, please let me know.

Our upcoming community events are our annual Fall Celebration on SATURDAY October 27 from 2-4:30! We are looking forward to celebrating that night with our families from around our community. Look for trunk sign-ups and other ways to get involved soon.

On a personal note, our youth would love to get to know their church family. We would love to get people plugged in with our youth that want to mentor them and love them. Please see me or our youth leadership if you are interested in getting to know some of our awesome students!

It is such a privilege to love, serve, and represent our awesome children and students. We have so many special young people in our church. What makes me so proud is that we have students that love to come to church. We have students that are both spiritually mature and immature. We have students that may not have a relationship with Jesus yet. But they love to come to church because they know that they are loved and safe here. I have had children tell me that they wish they could come to MARK Club every day. In a world that is full of so many choices and brokenness and where, to many, going to church seems irrelevant, it makes me so glad to know that the Church is still a beacon of hope. As long as that beacon shines, God will guide people to us who need to be shown the love of Jesus. I hope that the Light always shines here at College Street as a safe harbor for all people.

Because of Him,

Lauren

2018 VENDOR AND YARD SALE

Join us for a Vendor and Yard Sale on Saturday, November 10, 2018 from 7:00 A.M.—1:00 P.M. There will also be a pancake breakfast. All proceeds can be kept or donated to our Youth for their youth room renovation project. Contact Jennifer Thompson or Lauren Beddingfield at for further information.

College Street's Assistive Hearing System Now Available at the Welcome Desk

Our system will provide help for those with or without hearing aids. Although newer hearing aids are significantly improved, they cannot completely restore normal hearing. This is especially true in a reverberant sanctuary where clearly understanding all the various voices during church services may be difficult.

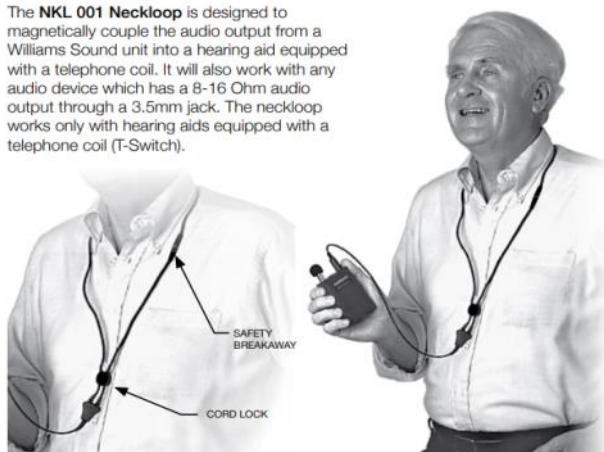

At the sound board, an FM transmitter broadcasts a radio signal containing all audio received by the sanctuary's microphones. At the welcome desk we have small FM receivers available for check-out. Also, there are earphones, headphones, and inductive T-coil loops – any of which can work with these receivers. These provide improved speech understanding because the listener receives a clear signal with no background noise. The sound frequencies are filtered and any “outlying” high/low-volumes are compressed to provide especially “crisp” voice quality. The system covers the entire sanctuary (and more), provides hands-free listening while moving around, and is hearing-aid compatible.

For those not wearing hearing aids, you will probably prefer to use your own earbuds. The welcome desk has available headphones and “single-side” earphones – and we can also give you an inexpensive set of earbuds to keep – but we recommend you purchase a higher quality, personal, earbud set at a local or online store.

For those with hearing aids, the T-coil (telecoil or T-loop) is recommended – assuming your hearing aid works with these inductive loops. (Those hearing aids for more severe hearing loss will probably have the T-coil. The tiniest in-ear hearing aids may not, or the T-coil setting may not have been programmed or activated. Check with your audiologist.) If your hearing aid does not work with the T-coil, you can use an over-the-ear single-side-earphone, or you can use a headphone set.

The **NKL 001 Neckloop** is designed to magnetically couple the audio output from a Williams Sound unit into a hearing aid equipped with a telephone coil. It will also work with any audio device which has a 8-16 Ohm audio output through a 3.5mm jack. The neckloop works only with hearing aids equipped with a telephone coil (T-Switch).

Using the Neckloop

1. Place the neckloop over your head and around your neck as in the picture.
2. Slide the cord lock upwards to a comfortable position. This helps keep the neckloop in optimal position for coupling with your hearing aid.
3. Plug the neckloop into the earphone jack on the Williams Sound unit. Turn the unit on and set the volume control to “3,” or about half of full volume.
4. Turn the switch on your hearing aid to the “T” position and adjust the volume for comfortable listening.
5. If the sound is weak, increase the volume on the Williams Sound unit, then on your hearing aid.
